Flying Dumbos

This is the Flying Dumbos ride. It's lots of Dumbo elephant carts that fly up and down in a circle.

Check the height guide at the entrance to see if you're tall enough to go on.

Follow the signs to join the queue.

A staff member will ask to scan a voucher on your phone. After that, they will let you on the ride.

This is what the carts look like. You can sit beside one other person if you want. The attendant will lower the metal bar for your safety.

Always keep your feet inside the cart.

The ride will start, and you will go round in a circle. You have a control stick in your cart that you can use to fly up and down.

When the cars stop, you can get out of the car carefully and follow the path to the exit.
